Chris Williams happy!

Recap of last year with Shawn Firster

Congrats to Mike Ozdinec for his leadership throughout 2023 and Denise Etter for achieving Rotarian of the Year.

Outlook for this year

We are paired with Slipper Rock, Leechberg a few others â€" the location will be somewhere in Cranberry per Jack Cohen â€" each zone in the district has an area governor â€" Jack is our area governor so Oct 29th at 6pm â€" we appreciate everyone adding this to their calendars and show respect and present and engaged. Zach â€" celebrate, rejuvenate, empower and grow Rotary. The ask in the district is add one new member â€" we added 5 members last year. Continue to grow membership â€" with Elayne Wilhelmâ€™s membership coordination.

Area Governor â€" Jack Cohen â€" visits August 30th â€" he will discuss our club goals and goals for membership and foundation â€" please put this on your calendar.

Community Days

Ben Heinlein has no idea where his dad is â€" he is home, but exact whereabouts are unknown. Ben did shuttle services â€" seemed pretty organized. Saturday is the big presence â€" all set there really. Chris Williams thanked Ron Gigler and Shawn Firster. Ron Gigler shared for experience last year prepared us for this year. Security and risk management was very good on the part of the club, keeping tabs on things. Shawn shared we went through lots of cups last night. Plenty of cups. Mike Ozdinec talked about limitations of selling bottles per PLCB. We have a license to pour, not to sell. Great idea, but with legal limitations. Talked about Brian Kile being a great risk manager. Shawn shared lots of positive feedback on the tent and fans. Nikki Campbell asked about a tip jar for donations â€" seemed to fill up pretty well.

Jerry Andree kicked off community days and herding cats. Part of the presentation was final check payment for Rotary Ampitheater.

District Grants

MOU all set â€" per Ron Gigler. Thank you Ron! Need a few projects to submit for review and approval. Peace and conflict, water and sanitation, child health, basic ed and literacy, economic development and supporting the environment should emphasize these key themes. Ron will get the basic criteria on the email.

Diversity

Rich and Maizee discussed disability month. Speaker next week is from Nomi in Butler and discuss mental health. Some speakers coming in from the Miracle League. For the Pride event Maizee talked about Tom Norton going â€" partnering with idea team at the township and help coordinate further.

Membership with Elayne Wilhelm

July 20th â€" Zeli Library at 6pm â€" Interact Club meeting. Discussed Edward handing in his application â€" this will be accomplished at board meeting after Rotary. Edward will be first new member of the club for the year. Discussed maybe sending a card once we confirm he had a baby and Elayne Wilhelm will take care of this.

Ron shared no one has notified him that they are not renewing. Paying online is the major way to complete things rather than by check. 60% of membership has paid. Ron will send reminder after community days. Please go into DACdb to update your information â€" RI wants everyoneâ€™s birthday in there. RI wonâ€™t assign an RI ID number without a birthdate.

Fun

John Marshall is doing tailgate at the Pittsburgh Pirates Tailgate.

Talked about looking for email for the trivia night fundraiser for the fall. Look for the email.

Service

Lighthouse Foundation doesnâ€™t need us now per Tim Hester. All projects are filled.

Clade Run Lutheran Services â€" August 10th Food Truck â€" we have a link and everything that will be

Glade Run Lutheran Services æ™ August 10™ Food Truck æ™ we have a link and everything that will be sent out. 4 time slots and need 20 people to help per Tim Hester.

Sleep in Heavenly Peace needs help æ™ space limited in Pgh æ™ canÆ™t build beds there, but can put packets together to build a bed. Need volunteers to stain wood æ™ really in Economy Boro and help them out for a couple hours.

Shawn went over our numbers and sunset club counts towards our numbers. We want to grow membership, but Shawn is most interested in membership engagement. Pretty good job of staying engaged. Life happens, but everyone joins Rotary for a reason. Make sure we are hitting as many passions as possible as a club.

Shawn also discussed chairs doing a great job leading committees and encourage new members to get involved in the meetings. If we can pull off a fundraiser all 4 quarters to support us financially to give back to the community that is the goal and vision.

Shawn is open book æ™ reach out text, call, email with feedback, ideas etc.

Jerry Andree introduced Kelly Mower æ™ Cranberry Township and Sunset board at large. Mike Ozdinec volunteered to help with cash taking to help the parking.

Tim Hester was great at shuttling!

Mike Ozdinec shared he didnÆ™t see any soccer updates æ™ end of meeting.

The Four-Way Test of the things we think, say or do.

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
