Service Committee Notes 9.15

By Timothy D O'Brien on Thursday, September 15, 2022
9/15/22 – Service Committee

- Discussed updates to the service committee
- Discussed working with the sunset club and getting their meeting minutes sent to the club to discuss at club assembly
- Discussed lack of diversity and inclusion as well as a need to raise funds and incorporate more a diverse crowd
- Mike Ozdinec and Maizee could lead a project – Mike could attend the sunset club and discussed idea for how to incorporate a more diverse crowd
- Shawn Firster asked about committee obligations per our bylaws and RI's bylaws that each club needs to have their own service committee
 - Mike Ozdinec confirmed that was the case and that we discussed that.
 - Tim O'Brien brought up that we are actually one club as satellite and sunrise at this time.
 - Mike Ozdinec brought up that typically the core club service committee is the lead and the satellite is their adjunct – with the goal being that the satellite club spins off as its own club ASAP.
 - Mike Ozdinec mentioned that he would ask for clarification of our service committee's responsibilities at the meeting on Friday.
