District 7280 Newsletter December 2022

## Message from the Governor

Well six months are coming up quick. I have visited all of the clubs and met so many wonderful people. The work that all of are clubs are doing is amazing. I can not Thank You enough for what all of you do. All of us should be proud of the wonderful work that we do. I am looking forward to my next six months visiting again and spending time with you.

It would be great if each club takes part of my District Conference, which will be held on May 19th, 20th, and 21st. Each club will have the opportunity to tell the conference about the best and most exciting project your club has done. Each club will have 2 minutes to share. Please let me know who will represent your club and I will get things organized and let you know when you will share with the District during

the conference.

Again, thank you for welcoming me to your club and making feel right at home.

Jack

October 28, 2022 - The unveiling of the monument and shelter Friday, which are near the Odd Fellows Gazebo at Alameda Park, was the culmination of more than two years of work that was facilitated by the Butler County commissioners and the Butler AM Rotary. The monument is a stone placed on a newly paved platform that also holds a flagpole. The monument has a plaque and the symbols for firefighters, police and emergency medical services engraved on it, and it is dedicated to Butler County first responders who died while performing their duties.
