Message from the Governor

Hello Rotary Members here we go again, PETS is just around the corner. It is imperative that each club has their President Elect attend this event. This training will help them to be ready to lead your club beginning in July. Let's make sure we give them the best training we can.

Now is the time to address each of your club goals and see where you are. Utilize your goals and continue to finish this year on a positive note and accomplish your goals.

Please remember that I am here to Serve you and your clubs. Please do not hesitate to call on me.

Thank you all for allowing me to represent District 7280.

I sure am having FUN doing it !

Jack
