District 7280 July 2023 Newsletter

MESSAGE FROM THE GOVERNOR

I would like to thank the Immediate Past District Governor, Jack Cohen, for everything he has done to make the past year a success. It has been a great year. We added new clubs and had membership growth. Jack is a true "Person of Action". From all of us in District 7280, **THANK YOU JACK!**

In this year, we intend to focus on Mental Health initiatives; do great works in our communities; and show the world that Rotarians are "People of Action". We are a membership organization and **SERVICE** is what we do. We need to show it every way we can and in everything we do.

I am looking forward to visiting all the clubs this year. Please know that it is my intention to make myself available as much as possible to help all of you. Thank you for putting your trust in me. Let's **CREATE HOPE** in the **WORLD!**

Thank you!
John A. Marshall
District Governor D7280

CLARION ROTARY MAKES IMPROVEMENT TO YMCA

CLARION, Pa. – The Rotary Club of Clarion recently made significant improvements to the Multi-Purpose Room of the Clarion County YMCA. With the use of club funds and as part of a District Grant, the Rotary Club of Clarion purchased a new projector that is wall-mounted, for overhead projections during community presentations and also installed a window-blind system that enables shades to be drawn so the presentations are more easily viewed.
