District 7280 Newsletter July 2022

Message from the Governor

It has been the fastest year I have ever spent representing District 7280 as your Governor. It has been my honor to do so.

Our District is made up of outstanding individuals that make our District something special.

As I now get back to working with my club I want you to know that everything starts at home. Each club in our District is doing Rotary's work in every Community throughout our District and through the year.

I want to give special thanks to all that served on my committees and represented all of us. I look forward to the future of all of our clubs and Imagine what comes next. Let's

give our new leadership team our help to achieve their goals.

With my deepest thanks, your's in Rotary,
Jack Cohen
District Governor 7280

Rotary Fellowships Month

June is designated as "Rotary Fellowships Month" by the RI Board to recognize the importance of international fellowship and good will among Rotarians with similar recreational interests, vocations, and health and medical issue-oriented interests, to promote increased participation in fellowships and increase understanding of this program. The RI Board encourages fellowships groups to highlight activities through projects, activities, and events in celebration of "Rotary Fellowships Month" in June.

A seasoned runner might take water and protein bars on a long training run, but girls and women in Afghanistan consider other equipment more essential: knuckle dusters or pepper spray, so that when anybody comes close, they can demonstrate they have something to defend themselves. It's one of the startling details in a 2019 documentary about female runners in the deeply conservative nation. [Read More](#)
