Message from the Governor

Last week I visited the Rotary Club in Kane. They celebrated their first responders for everything they do. If you think about these folks and what they do, it is and always will be service above self.

We all owe them a debt of gratitude for their commitment to the Community they serve. We all need to remember to thank them for what they do. If ever we would want to start a cause club tell me a better one than this. Reach out in your Community and share our mission with them. This is how we can grow.

Be proud of them and teach them who we are and how they can become great Rotarians.

One month to go, what fun we had. Looking forward to the future.
