District 7280 Newsletter September 2022

A Message From the District Governor

This past month has been filled with numerous trips throughout District 7280 as I continue with my District Governor visits. It has been a pleasure to get to see many familiar faces and to meet many new ones, as well! I look forward to continuing attending the different Club meetings this month.

It has been great learning from each Club that I visit about the wonderful ways they have been contributing to helping out their communities. The most important part of Rotary is the motto: "Service over Self" and I have come to find that our District works very hard to continually give and provide.

I hope that as this year closes out, we continue to work together to further our progress on projects that are important to our Clubs, our communities and to Rotarians worldwide.

Congratulations to the Rotary Club of Grove City on its 100 Year Anniversary.

By PDG Judith Hughes

They have been fortunate to have strong leaders who haven't feared stepping outside of their comfort zone and stepping up to lead. One such individual is PDG Mary (Skip) Sample who was involved in Rotary activity way before she became a member in 1991.

The Foundation Report

By Ken R Fleeson

The
Rotary
Foundation

Inside this article find an update on our Global Scholar and Rotary Direct.

Global Scholar

Ms. Reem Abdalla, a resident of Erie, has been accepted to attend the Kellogg College of Oxford University, Oxford England, this fall for their

master's program where her area of study will be on African Studies. Upon graduation, Reem's goal is to return to the U.S. to work for a refugee settlement and advocacy organization to help with the asylum process for newly arrived refugees.

Rotary Direct

The Rotary Foundation is the mechanism that allows Rotary to do good in the world, such as supporting Global Scholars and Global Grants. In addition, it benefits all of us through District Grants that help our clubs to do more in their local communities. The easiest and most secure way to do this is through "ROTARY DIRECT" where you can use either a credit card or debit card on a recurring basis and donate for or as little as \$10.00 per month, quarterly or yearly.
