It's been an International Rotary Week!

Dorothy Tecklenburg reminded us about the joint Zoom meeting with the Applecross Club in Perth, Australia, Monday, June 6, at 7pm.

[Click here](#) to enjoy the video on the first part of the project, which they completed last year. They provided water for a group of disabled children in Kenya.

They are asking us to join them by Zoom from our homes. The proposed project is to build two classrooms for these children, who receive no education at this time.

The total cost would be \$15,000, which they propose splitting between the two clubs. Dorothy is confident that we could raise most of our share by asking smaller clubs in the area to chip in money, reducing the amount our club would need to commit. Our club has done this in the past, and smaller clubs are happy to have a way that they can share in an international project.

The discussion on June 6 will also include sharing our common problems as legacy clubs in Rotary.

Kathy Sabol offered to have members who do not Zoom to gather with her at the Bar Association. Please contact her so that she can prepare if you want to do this.

It was decided that we would still hold our regular luncheon meeting on Tuesday, June 7, with the scheduled program changed so that we can discuss the information gained on Monday evening.

The Attached YouTube clip (6.5 minutes) provides great insight to the project. I commend it to your Club members to let them know where their donations are going

It also provides lovely insight into what happens to the wheelchairs produced by "Wheelchairs for Kids"

APPLECROSS ROTARY, [THE ROTARY CLUB OF KITENGELA](#) and [MAMA RESPOND](#) International (a Perth based NFP) have joined forces to build what will be the only comprehensive toilet block for special needs students in Kitengela, Kenya (population 150,000). This will be at Noonkopir Township Primary School – a public school closely affiliated with Mama Respond.

The participation in yesterday's webinar was outstanding, with more than 1000 individuals on the Zoom and watching live via Facebook.

A special thank you to our panelists from Ukraine who presented such moving and valuable information on the humanitarian needs and efforts in the Ukraine and how Rotary can help. Thank you also to our three Presidents from the Rotary Clubs of McMurray, PA, Edina Morningside, MN, and Cleveland, OH for handling the meeting so adeptly. And of course, special thanks to our technical team for managing registration, operations, and recordings.

For those who would like to view the webinar again (or show it at your club), it is already available on Facebook here:
