Bill Bowen is a 1969 graduate of the USCG Academy, a Viet Nam veteran and a 26-year career officer in the United States Coast Guard. He retired as an O-6 (CAPTAIN) in 1995 and, in 1996 he became the Program Manager of 3 successive IT contracts, covering almost 13 years, at the US Coast Guard Operations Systems Center in Martinsburg WV.

Bill is currently the owner of Bunker Hill Antiques, a 35,000 square foot antique mall in nearby Bunker Hill, WV. He is a lifelong sports fan with a love for baseball...its history and memorabilia. He has an impressive memorabilia collection, some of which he enjoys bringing "on the road" to civic organizations like Rotary, Lions Clubs, and the like. Among his most prized possessions is his autograph book that dates to 1955, his Satchel Paige autographed baseball, the Ted Williams Hartland statue his father gave him for his 12th birthday, and an 1876 clock which is the first depiction of baseball players on a timepiece.

Bill lives in Martinsburg with his wife, Monica. He has three sons and five grandchildren.

Freedom Run Thank you

Thank you from President Michelle - The club received very nice thank you letters from Dr. Mark Cucuzzella and Ms. Katie Thompson thanking the club for our help with this year's Freedom Run.

Members from the Satellite Club joined many of you to help with the Run – and those of you helping with the Day of Caring also did much to ensure the safety and success of this event.

Thank you so much for your willingness to serve your community – we are indeed fortunate to have such generous and caring members. You do us proud – this Club Rocks!

Thank you from Dr. Mark Cucuzzella - "She-town Rotary we cannot think you enough for the helped at this critical spot of the course it was a beautiful day and people will come back to our community."

Thank you from Katie Thompson - Thank you all for such an incredible event! We had almost 2,000 runners from 40 different states, and the positive response from visitors this year was overwhelming. So many people said how much they appreciated the volunteers and the area and couldn't want to come back to visit.

You all already do so much for the community, so to give up your Saturday for yet another volunteering event, means a lot to us. If any of you didn't get a t-shirt or it didn't fit, let me know and I'll make sure to get it to you.

Thank you again SO much. This really was our best year, so thank you all for being a part of it and making it such a special event.
