### Christopher Woods PGA Pro speaks for the club

Originally an Army Brat from North Carolina, I grew up in ten different states and two countries. That lifestyle created an open and outgoing personality which has translated directly to my teaching style. I was introduced to the sport of golf when I caddied for my uncle at the age of 14, immediately finding passion for the game. I spent time on the mini tours in FL and AZ competing against the likes of Bubba Watson and Boo Weekley.

Following my graduation from Milligan in December 2013 I entered the PGA Professional Program. Since my election into the PGA I have remained very active in Junior golf for the Tri-Cities through First Tee and PGA Jr League Teams. I have had

the privilege of being a part of 3 State Championship Jr League Teams as well as seeing many of my First Tee kids fall in love with the game as I did. My career continued down the path of coaching and instruction as I now serve as the swing coach for MILLIGAN UNIVERSITY.

My family includes wife Ashlee, newborn baby boy Blair, and 2 step children, 12 year old twins LB & Daisy. We reside in Kingsport, TN and attend Harvest Community Church.

## September is Basic Education & Literacy Month

This month we draw special attention to the programs, needs, and opportunities for Rotary to support basic education and literacy around the world. Rotary Action Groups provide a pathway to learn more and support these types of efforts. The BELRAG will be hosting twice daily webinars throughout September to learn more.

Join BELRAG this September to celebrate the impact Basic Education and Literacy (BEL) projects have worldwide. We invite you to highlight and celebrate your club and district's inspiring and impactful BEL projects.

Twice daily, each day in September, we will host sessions where you can share your BEL projects. These sessions aim to raise awareness about BEL initiatives and inspire others to support or replicate these beneficial projects for children and adults.
