Coffee Roasters share their Vision and Experience Sept. 5th

"Good Coffee, For Good Folks" has been Old Goat Coffee Roasters' motivation since day one. Garrett Wilt set out on a mission to create an easily accessible, high-quality coffee experience.

Through continuous research, and endless trial and error, they finally reached a product that they thought would change the way you think about coffee; a high quality roast created with care and knowledge at an affordable price.

Garrett and his wife Katie put themselves and their product out into the community, and "Good Coffee, For Good Folks," came full circle.

Rotary Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.
- Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.
- International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs.
