## Volunteering 2.0 with Leslie Dalton

April is National Volunteer Month! And in most communities across the nation, Rotarians are among the most active, engaged, and productive volunteers.

What is the state of volunteer service in 2024? What does the future hold? Rotary's own Leslie Dalton brings us an insightful look to these questions along with recommendations for how we can effectively volunteer our time, energy, and resources to transform our communities and the lives of many.

Leslie began her career in the nonprofit sector 15 years ago as a volunteer at CASA of Northeast TN. She eventually joined the team as a coordinator and spent her final 4 years with CASA as the Executive Director. After CASA, she worked at the ETSU Foundation before joining the United Way in 2019 as the Director of Development. In October 2020, she became the President and CEO of United Way of East TN Highlands. Leslie holds a Bachelor's degree in Communications and a Master's in Public Administration with a specialty in Nonprofit Management. Growing up in the military, she is proud to call Northeast Tennessee home.
