Louis K. Gump--The Inside Innovator: A Practical Guide to Intrapreneurship

Louis K. Gump is a business builder, transformational leader, and pragmatic optimist. He has worked with some of the most recognized companies in the world, developing talented teams and achieving remarkable success for growth businesses. He has done this from multiple perspectives: as an intrapreneur within large corporations, as CEO and entrepreneur within smaller companies, and in strategic industry leadership roles.

Gump is president of Cambian Solutions, which focuses on excellence in innovation, business growth, and team performance. Earlier in his career, he presided over award-winning mobile businesses at The Weather Channel and CNN. More recently, he has served as CEO of two digital media firms and led Cox Media, the advertising division of Cox Communications, the third largest cable provider in the US. Gump has also held leadership roles in a wide range of industry and community organizations, including ten years on the board of the Mobile Marketing Association, where he served as global chairman. He earned an MBA from the University of Virginia Darden School of Business and a BA from Duke University.

He is the author of the newly-released book, *The Inside Innovator: A Practical Guide to Intrapreneurship* (Fast Company Press), which will help readers achieve more, build stronger relationships, and increase personal fulfillment through intrapreneurship.

Top Soccer-The Rotary Club of Johnson City April 14th-May 19th

Top Soccer begins Sunday, April 14th at Science Hill High School Stadium. This is year 4 for The Rotary Club of Johnson City in our sponsorship and service project!

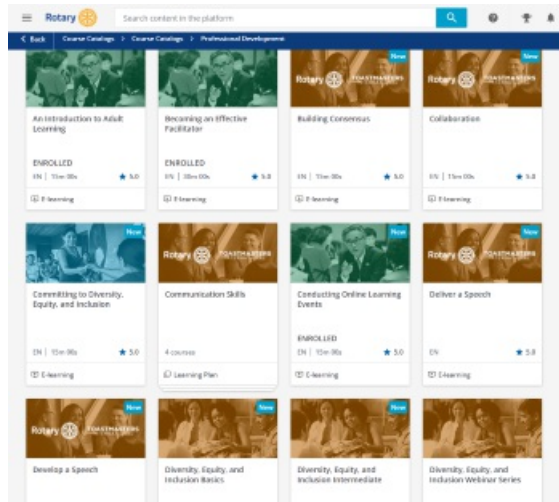

What is Top Soccer? Soccer for individuals with disabilities! Each Sunday afternoon between April 14th-May 19th, we as Rotarians sign up to come support, cheer on, smile, hold hands, laugh, make tunnels, give out snacks and make this the best day ever for the "Athletes." Show up at 2:30 and the event will be from 3-4.

We need your participation to support the families in our area whose each and every day disabilities are a part of their family and life. Seeing the smiles of the "Athletes" and families will let you see and feel service about self!

WE NEED AS MANY ROTARIANS AS CAN HELP ON MAY 19TH as other volunteers will not be available!

Remember...

THE FOUR-WAY TEST
 OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERN?
3. WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERN?

**April is Rotary Environmental Month:
Unintentional littering is a major source
