Member Photos

Please take a look at your photo in the directory. Is it over five years old? Maybe it's time to be updated. A current photo will help new members identify you.

Using DACdb

You find a lot of information as a member of Rotary in DACdb. EVERYONE should use this vital resource. View the YouTube on how to [login here](#). And here's one on how to [update your profile](#).

DACdb essentials

For new members, and for those who aren't sure how to navigate our Club's online database, the folks in charge have created several videos that help guide you through the process. Check them out.
