Speaker 5/9/25 - Janice Powell, Certified Aging in Place Specialist

Janice Powell is a Certified Aging in Place Specialist (NAHB) and is the owner and operator of Coastal Bath & Shower located on Build America Drive in Hampton. She and her husband Tommy live in Poquoson and founded Coastal Bath & Shower after going through the personal experience of keeping Tommy's 94 years-old mother Betty safe and independent in the two-story Hilton Village home where she lived for over 70 years. While making Mrs. Powell's home safe and comfortable, they were simultaneously working to convert Janice's father's home and bathroom into a safe environment where he could live out his final years in the comfort of his beloved home. They learned a lot from first-hand experience and started their company to assist homeowners, caregivers, and family members in their quest to Age in Place.

The process of aging can be difficult on homeowners and family members who want what's best for their loved ones but don't always know where to start or how to broach the subject of Aging in Place, Fall Prevention, and Bathing Safety. As an interior decorator and a Certified Aging in Place Specialist, Janice Powell has the knowledge and expertise to guide you and your loved ones through the process of making the home modifications that are best suited to your short and long-term needs.
