Mariners' Museum and Park Rededication Ceremony

You're Invited!
The Mariners' Museum and Park
Discovery Project Rededication Ceremony
Wednesday, June 25 | 9 a.m.

Please meet us at Lil' Mariners' Play Zone for light refreshments as we celebrate the completion of the [Discovery Project](#)! We're excited to showcase the completed renovations and recognize the partners whose generous contributions helped make this endeavor a reality.

Explore the next phase of improvements to Lil Mariners' Play Zone, along with The Mariners' first early childhood education outdoor classroom, created in the adjacent Bumblee Learning Garden area. Learn more about what's on the horizon for this beloved community resource!

Please dress comfortably, as the event will take place outdoors on unpaved surfaces.

Following the ceremony, at **9:30 a.m.**, you're invited to observe the first [Wonder Wednesdays](#) program of the summer, held in the new outdoor classroom. Experience your impact in action as we serve our community's youngest learners through this engaging, free early childhood program.

We look forward to celebrating with you!

Please RSVP to jwashington@marinersmuseum.org

Pour for a Purpose at the Tech Center Concert Series

Pour for a Purpose – Volunteer at the Summer Concert Series!

Get ready to raise a glass *and* raise funds! Our Club has been offered a fantastic opportunity to staff the beer sales tent at **eight free summer concerts** — and here's the best part: **we get 50% of all beer sales!** That's right, your volunteer hours could help bring in major dollars for our service projects and maybe even some new members. The concerts are fun, outdoors, and a perfect way to enjoy live music while doing good. Grab a friend, throw on your Rotary pin/hat/shirt, and sign up to serve some suds for a cause! If you have any questions, please contact Michael Daniels.

Rotary Month: June is Rotary Fellowship Month

June is designated Rotary Fellowships Month to recognize the importance of international fellowship and goodwill among Rotarians with similar recreational and vocational interests, promote increased participation in fellowships, and increase understanding of this program. The RI Board encourages these groups to celebrate Rotary Fellowships Month through projects, activities, and events.

Each Rotary Fellowship operates independently of Rotary International, with its own rules, dues requirements and administrative structure. Membership is open to Rotarians, spouses of Rotarians and Rotaractors. It must be international in nature with active members in at least three (3) countries. Each fellowship elects at least three (3) officers to oversee the group's administration. The Rotary Fellowships are expected to facilitate communication among their members and maintain regular communication with RI. The fields are varied, and include marathon running, scuba diving, flying, bird watching, chess, doll lovers, environment, Esperanto, gourmets, lawyers, magic, nurses, police and law enforcement professionals, recreational vehicles, singles, stockbrokers, venture capitalists, wine and yoga.

Interested Rotarians can join a [Rotary Fellowship](#) or even start a prospective Rotary Fellowship if their recreational or vocational interest is not in the list of approved Rotary Fellowships.
