Speaker: Joel Rubin

Joel Rubin is President of Rubin Communications Group, a Virginia Beach based public relations, video productions and marketing agency. Joel began his firm in 1991 following an award-winning 15-year career as a reporter and anchor with WAVY TV, the NBC affiliate in Hampton Roads. For the next 17 years while he was building his firm, he produced and hosted "On the Record with Joel Rubin," a weekly political and issues-oriented talk show on WVEC TV, the area's ABC affiliate. Rubin Communications Group's clients have included some of the region's and state's leading companies, including Dominion Energy for whom Joel has developed a creative campaign called WINDSdays that seeks to build a culture around the value of a green environment, clean energy and the power of wind, due to the coming of a 176 turbine wind energy project off the coast of Virginia Beach. A 1975 graduate of the University of Virginia, Joel is married to his partner in the agency, Sara Jo Rubin, and they are the parents of two entrepreneurial children and five beautiful and brilliant grandchildren.
