## Speakers 12/20/24 - Van Rhodes and Antiono Willis on the Salvation Army

A 1976 graduate of the University of North Carolina at Chapel Hill, Van spent the better part of four decades in the information technology field as a systems analyst and database administrator. He created and maintained data warehouses for retail companies, enabling them to better target their customer interaction data using statistical data mining techniques. (If you ordered from a catalog and then received twenty more catalogs a month later, Van is probably to blame).

Van and his wife Ann hail from Raleigh but have lived in Newport News for over 40 years, having moved here when Ann became an attorney for Newport News Shipbuilding. Now retired, they serve on the local board of advisors for the Hampton Salvation Army.

## 2025 Rotary Presidential Peace Conference in Istanbul

### *Healing in a Divided World*

Led by Rotary International President Stephanie Urchick, the 2025 Rotary Presidential Peace Conference in Istanbul, Türkiye, 20-22 February 2025, will be an opportunity for the Rotary community and our partners to build on Rotary's contributions to promoting peace by exploring:

- Peace in a polarized world
- Technology, media, and peacebuilding
- Environmental issues in peacebuilding
- Making peace last

The conference will also recognize the launch of the new Otto and Fran Walter Rotary Peace Center in partnership with Bahçeşehir University in Istanbul.

The three-day conference includes keynote speakers, panel discussions, and breakout sessions that will highlight the many ways Rotary members, program participants, partners, and community leaders can advocate for peace; share stories, insights, and ideas about building peace locally and globally; and foster meaningful conversations about promoting peace within our communities and beyond.

Don't miss this special, one-time event focused on ways to take action to advance the cause of peace and explore important issues of our time, including creating sustainable peace and healing in a divided world.
