New Australian Submarine Building School in Newport News

[Linkedin/](#)

I was actually born in Georgia but fell in love as the story goes to an Australian. We do submarines; our business was born unto it and so we have been stewards to the Collins class providing the full stop metal loss asset integrity across Australia. Our specialty is Maritime Defence, however, we do have two offices dedicated to a diverse range of oil, gas, energy, rail, infrastructure, mining. Basically, you name it, we keep it safe and running smoothly.

Myself, I was a Nurse for 22 years until I took a step back and wanted a bit of a break so I thought I would help with our business. Haha, I haven't had a break since. As the Chief Executive Officer. I am responsible for leading and developing QMS-NDT & NACE to ensure that we achieve outstanding results in time and on budget. Our projects are completed on schedule and with our safety, quality and commercial values at a high standard, We always put our clients first which is what makes us stand out from the rest. The company's values and standards mean we keep an open dialogue with all our customers to help make sure that we continue to grow and develop in the future and not only meet our clients needs but surpass there expectations.

Experienced Business Development Manager with a demonstrated proficiency of working in the maritime, Non destructive testing, and healthcare industries. I am Skilled in Account Management, Public Relations, Business Development, territory management, Critical Thinking, and Sales strategy. Very Goal-oriented with a history of exceeding all benchmarks and numbers set. Strong business development professional with a background education of Bachelor of Science focused in Nursing from Western Governors University. Also, my Masters in Applied Sciences. Over 10+ years in defense, oil & gas, mining, and healthcare sales & sales management experience.

I am also the Owner and Director of our training school NANTIA, where we train Technicians for maritime Defence.

Bourbon Membership Drive

In honor of Bourbon Night at Nelson's, bring someone to the meeting on Fridays from now till 7/12 to have a chance to get this bottle of Bourbon (glasses not included)! Whoever brings the most potential members will win. There will be a sheet at the Sargent of Arms to fill out.

Good Luck
