Dylan completed his Bachelors of Science at William and Mary in 2012 and a Master of Landscape Architecture from University of Maryland in 2017. During that time he also worked on a vegetable farm and a lawn crew. From 2017 to 2023 Dylan worked for Naval Facilities as a Landscape Designer, working on a diverse array of projects in the Mid-Atlantic region. In April 2023, he was thrilled to join the Mariners' Museum as the Landscape Manager to lead the newly formed in-house landscape team. Dylan is a Licensed Landscape Architect in the State of Virginia.
