District Grant Update

Exciting News! Our District grant has been APPROVED! The district will generously provide \$20,000 in matching funds. With contributions of \$500 each from our club, Midlothian, South Richmond, and Bon Air, we are thrilled to announce a total project funding of approximately \$32,000.

This funding will enable the Chesterfield Foodbank to purchase a sprinter van, enhancing their ability to deliver food to communities in need. The new van, which does not require a CDL, will significantly increase its mobility and efficiency. It will also proudly feature the Chesterfield Foodbank and Rotary branding!

This milestone represents a remarkable step forward in our mission to support our community and make a meaningful impact. Thank you to everyone involved for your dedication and support!

Last month, we had a remarkable moment at Swift Creek Middle School, where our club proudly presented Chutzpah and Courage with a \$1,000 check. This generous donation will fund a vital 3-day research trip to the United States Holocaust Museum, empowering future study and deepening understanding. This impactful initiative exemplifies

our commitment to education and historical awareness.

Bright Beginnings

We need more stuffed backpacks! If you plan to donate, please bring your contributions to this week's meeting. We also need volunteers for July 22nd and July 23rd. Your help is crucial, and you can sign up to volunteer [here](#). Your support makes a significant difference! We will have no Thursday meeting as we are **"Service Above Meeting"** that week! Let's show up strong for our first volunteer service project.
