## Steven Herring to speak to the club on December 7th

By Carol Dois Woodward on Monday, December 5, 2022

Steven Herring is the Local Health Emergency Coordinator for the VDH ( Virginia Department of Health) Crater Health District. He has over three years experience in emergency management, including working during the COVID-19 pandemic at the local government level. He has an undergraduate degree in Communication Studies and is earning his Masters in Public Health with a concentration in Global Disaster Management.

Steven was secured as our speaker by Donald Hunter. Donald is a charter member of the club and a member of the Prince George County Board of Supervisors. He was the Deputy Emergency Services Coordinator until recently, when he retired from that role.

Just a reminder that this is a hybrid meeting, but it would be so lovely to see each other in person at Luca Italian Restaurant, if that will fit into your schedule. The hybrid link will be sent by email on Tuesday.

We have also provided our annual support to the Salvation Army by ringing the bells and filling 3 kettles this year! Our intrepid volunteers braved the rain and exchanged holiday cheer with many generous people visiting Walmart in Petersburg this past Saturday. We had to accommodate a last minute change of location, but everyone took it in stride.

This Wednesday, the 7th, we will be delivering our collected donations of hats, gloves, scarves, etc. to the Hopewell-Prince George Community Health Center. I have received items from a few members but, if anyone else has things to contribute, please bring them to the meeting on Wednesday morning. They will be delivered right after the meeting and any members who are free are welcome to come along for a photo op.

We continue to support the Prince George Animal Shelter. We have always had a perpetual collection of

donations at our meetings for the Animal Shelter, but beginning in August we began paying for the adoption fee of one dog or cat each month. So far, we have sponsored the adoption fees for three dogs and one kitten. One member has stepped up to donate two adoption fees during the month of December. We ask the Shelter staff to identify a long-term resident or a pet with health issues as our highest priority.

And, last but not least, we have continued our tradition of adopting a family from a list provided by P.G. Social Services. Our Treasurer, Alisa, is still collecting monetary donations, and she has volunteered to do ALL the shopping! There are two children, 5 and 7 years old, who will be getting clothing and toys. Any extra funds will be used to give the mother a gift card.

Don't forget to turn in community volunteer hours for November. Well done Prince George Rotary!

## Giant Charcuterie Board Designed to Celebrate the

By Cynthia Walker Mitchell on Friday, December 2, 2022

Since PG Rotary Club's **Change in Leadership** ceremony in July, Prince George Rotarians have been engaged in projects monthly. We collected items for the Rotary Tree, volunteered at the county's **Back-To-School Fair**, helped to find homes for animals at the **Animal Shelter**, attended the **District Conference**, held an **End Polio Fundraiser**, coordinated the delivery of **Dictionaries** to 3<sup>rd</sup> graders, participated in a **Juneteenth**

celebration, reinvigorated our **Interact Club**, and welcomed **3 new Club members!** WOW, did I miss anything? After so much hard work, it was time for an evening where nothing was asked of us except **friendship and fun!** We had a celebration of **Living Our Dash!** DG Kenny Janes has spoken about our dash, and Linda Ellis, the author of the book *The Dash*, had recently been at the district conference. So, we planned a celebration with friends, family, good food (**Giant Charcuterie Board**), good drinks (a champagne toast and signature cocktail), good music and dancing. This celebration had it all! A committee of Rotarians, their family and friends used their creativity, talent, energy, and task-driven passion to create a celebration worthy of our DASH! A heartfelt thank you to all family, friends, and Rotarians who came to celebrate with us. Thanks DG and PDG for coming all the way to the country to be with us! Keep your eyes open for our next member social event: March and May

## Toast to Rotarians!

By Cynthia Walker Mitchell on Friday, December 2, 2022

... to my fellow Rotary friends, neighbors, leaders, problem solvers, .... A TOAST ! So, the gear has been a symbol...a representation of Rotary, its works and its reach. Let's reflect on our purpose, commitment and our impact (Our Dash), as we continue our journeys. It's your contributions that build the strong cogs that turn this great gear. To all of you ... Thanks for keeping this gear from grinding to a halt. Cheers!
