## Wedding Anniversaries

No Wedding Anniversaries Found

## Club Member Anniversaries

No Years Of Service Found

This article was published in the Rotary District Newsletter which came out on April 1st. For new/newer/and lifelong Rotary members, there is always a place you can go to learn more about Rotary. The only trick to this is that you need to go to [Rotary.org](http://Rotary.org) and create an account. Come on ... I bet you have an Amazon account.  
Tip of the Month

Rotary Learning Center:

### Rotary Learning Center

There's a variety of courses you can take at the Rotary Learning Center. You can access it by going to the Rotary Website > My Rotary > Learning & Reference Tab > Learning Center. There you can see all the course by topic. One you have signed up for a course, you can go to the three dash lines in the upper left corner of your screen and click there to go to your Dashboard where all the courses you've signed up for are listed. You don't have to complete any course in one sitting - which is great. You can complete them at your leisure, a bit at a time. It's a great resource for you as a Rotarian, as a club leader, and as a professional

In addition, you can now take Rotary's online courses on most mobile devices. See our [how-to guide](#) for detailed instructions or follow these steps to get started:

On your mobile device, use a browser to go to [my.rotary.org](http://my.rotary.org) and sign in to My Rotary.

Tap the **? menu** at the top left of your screen.

Tap the **plus sign** next to **Learning & Reference**, and then choose **Learning Center**.

Go to your app store and download Go.Learn. *Don't* open it from here.

Return to your browser. From the same Learning Center page in My Rotary, tap the link to the Learning Center.

Go.Learn works with iOS10 and later as well as Android 6 and later. Note that the app has some limitations, including in some of the interactive learning options. You will need to use a computer to download certificates or view additional resources. Links to the Learning Center may not work on mobile devices. Instead, go to the Learning Center through My Rotary, then search for materials or courses.

If you have trouble using the Learning Center in Go.Learn, write to [learn@rotary.org](mailto:learn@rotary.org).

AND:

Here's a quick access to the proper use of Rotary colors in graphics.

## My Rotary - why you should visit [www.Rotary.org](http://www.Rotary.org)

By Janice L. Rowley on Tuesday, March 23, 2021

Urgent suggestion: Does that seem silly? I just want to encourage everyone in the Club to become a part of the tradition of Every Rotarian, Every Year. This is an effort to encourage all Club members to donate each year to the The Rotary Foundation.

All you need to do is to go to [Rotary.org](http://Rotary.org) to set up your My Rotary account. You gain access to lots of great educational materials, you can check our Club's progress, and you can make donations to The Rotary Foundation. You can make a one time donation or schedule donations on a monthly, quarterly, or even annual schedule, and track your donations.

Our District Foundation team will match your donation with District Foundation points if you donate at least \$100 through My Rotary on April 6 this year.

Our Club just wants you to set up a My Rotary account this year and donate \$25 or more through your My Rotary account. Our Club will donate matching Foundation points if you set up your account and donate between now and April 6. You need to set up your My Rotary account as soon as possible if you want to contribute before April 6.

Please call Jan Rowley at 804-943-8995 or email her at [jrowley3506@gmail.com](mailto:jrowley3506@gmail.com), if you have questions. Thank you for your service and commitment.

## Scholarship Season!

By Crystal Johnson-Smith on Wednesday, March 31, 2021

## Public Image Committee Meet

By Brian K. Manning on Tuesday, April 6, 2021

The Public Image Committee met to plan and to celebrate Taco Tuesday. The next Taco Tuesday Public Image Meeting will be on April 26th at Morelia. The Club's Public Image and Publicity Committee met at Morelia Mexican Restaurant to enjoy Taco Tuesday and to discuss upcoming events. The club's 25th anniversary is still a work in progress. The planning committee received a recommendation that the group solicit multiple restaurants in the area for sample platters to provide variety and to support multiple businesses. However, there was some concern that the club would be able to find enough restaurants willing to participate. The planners are still looking at caterers for the affair. Bill Gandel offered that the club would need a permit for serving beer and wine. The anniversary celebration is August 26 at the Colonial Harley-Davidson, 1701 Temple Parkway, Prince George.

The committee also discussed fundraising ideas. Several attendees have heard drive-thru dinners have not been as successful as expected. After discussion, the group agreed the best approach would be an online reverse raffle. Please contact Brian Manning or Carol Woodward if you have experience with social media, online meeting, and websites if you would like to help.

## Prince George County seeks volunteers for upcoming softball tournament

By Brian K. Manning on Tuesday, April 6, 2021

Pictured is the Dinwiddie Darlings 2019 team. Prince George County is asking for volunteers to help with the 2021 Dixie League Softball World Series. The county is hosting the event from July 23 through July 29. Teams from thirteen states will be visiting the area to play at the JEJ Moore Athletic Complex in Disputanta.

The county would like to assign an "aunt" or "uncle" to each team to be a local contact for local information. The county would like to promote as many Prince George businesses as possible and the county will be providing each team and each volunteer with a welcome packet that includes information on local businesses. Volunteers would be the contact person to answer questions the teams might have about the area or the businesses. The county would also like assistance in preparing goody bags for each player to be distributed upon the team's arrival.

Anyone interested in volunteering to help with the event should contact Stacey English, Economic Development Specialist with Prince George County, (804) 691-3454 or (804) 722-8609. Stacey's email is [senglish@princegeorgecountyva.gov](mailto:senglish@princegeorgecountyva.gov).

## The Four Way Test

By Carol Dois Woodward on Monday, June 8, 2020

Rotary  Four Way Test  
of the things we think, say, or do

IS IT THE TRUTH?	IS IT FAIR TO ALL CONCERNED?
WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?	WILL IT BE BENEFICIAL TO ALL CONCERNED?

Rotary 

**THE FOUR-WAY TEST**  
Of the things we think, say, or do

The Four-Way Test is a straightforward and common-sense ethical guide for Rotarians to use for their personal and professional relationships.

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?**
