Hello, my friends

I have been reeling with the news from India that so many do not have access to the medical care required to save lives.

For me, it is very personal having seen the great work that many Rotarians in India support. Not just in their country but around the world. The photo included is of families from Mongolia whose children have received life-saving heart surgeries at the expense of and with the expertise of Rotarians and Indian heart surgeons. It is a photo from my trip to India.

I was grateful to see that Rotary Zones 33-34 have a plan to help out our partners in India to deliver oxygen to hospitals and clinics in India. Working with long term partners in the medical/supply field, our partners have found a supplier for this much needed supply of portable ventilators.

I feel led to support this Rotary effort even though it is not an actual grant project. My daughter decided to make this her gift to me for Mother's Day. If you also feel led to make a donation, you can mail a check to the Treasurer of our Club or give Alisa a call to charge your donation. (Alisa: 804-586-2151) If you are mailing a check, please let her know at: kawskip72@gmail.com.

If you plan to donate, please let us know by 05/07/2021.

Thank you for considering a donation.

Resources for Building a Sustainable Environment

"We do the best we can. When we know better, we do better." Angelou

This rings true in so many ways but it is a great way for us to stumble into creating a sustainable environment in our yards.

I was late in inviting a speaker for tomorrow but I will be sharing tips from the PG Master Gardeners, Diane Cook who has planned many native gardens, our Prince George VA Tech extension agent, and the Chesapeake Bay Foundation. I think that Chris Wiegard from the Rotary Club of Hopewell may also be along to share his experiences in native plant gardening. Anna Kroyer is a Forester and may have great insights as well.

Please join in to learn a few tips or share your tips to move from a golf course mentality to a sustainable environment for our neighborhoods!

When Doing is as Much Fun as Reading

By Brian K. Manning on Monday, May 3, 2021

The Appomattox Regional LibrarySystem (ARLS) is offering hobby kits. Some people learn best by reading. Some learn best by doing. ARLS is trying to provide the compromise for everyone.

Last month the library started offering a hobby kit on a limited basis to see how successful it would be. The library tested the idea with ten "Take Home Herb Garden" kits. With pots, dirt, seeds and a list of beginning gardeners books, all the patron had to provide was the water. All ten kits were gone within the first week.

This month check out the library's newest hobby kit!! No, seriously, the library means actually check out its Colourful Fun Embroidery and get a kit to create the Good Vibes Hoop featured on the kit's cover. This beginner level embroidery project has everything you need to try embroidery for the first time. When you're done, return the book and keep the kit. Call 804-458-6329 to reserve your kit with book today. The kit will be available for pick up at any library location. The library is still weighing the success of the program so the number of the available embroidery kits is limited. If this kit isn't to your taste, suggest other possible hobby kits the library could assemble by emailing your idea to admin@arls.org.

Rotary DAY June 5

By Carol Dois Woodward on Tuesday, May 4, 2021

A great family oriented event on June 5th to celebrate Rotary Day in Prince George. Please put on your calendars, bring your kiddos, and let your friends and neighbors know about this event. Distancing and face masks will be in order, though with the sunshine and fresh air on this perfect early June date, we may have the chance to think less about the coronavirus. Please put on your calendar.

A flyer for a Rotary event. At the top left is the Rotary logo and the text 'Rotary Prince George County'. Below this is the date and time: 'JUNE 5, 2021 | 9 -12 AM'. The main text reads: 'Join the Prince George Rotarians and the PG Parks & Rec as we plant native plants loved by butterflies at the JEJ Moore Sports Complex in honor of Rotary Day in PG'. Below that is the contact information: 'CONTACT: PGRROTARY23875@GMAIL.COM FOR INFO'. At the bottom, there are three curved text elements: 'kids will love!' in pink, 'Meet Rotarians. Plant Native Plants. Win Prizes' in purple, and a list of provided items: 'PROVIDED Snacks Water Door Prizes' in purple. The background of the flyer is a soft-focus image of white flowers.

2021 Prince George Rotary Scholarship Application

By Carol Dois Woodward on Tuesday, April 6, 2021

An advertisement for a scholarship. At the top left is the Rotary logo and the text 'Rotary Prince George County'. Below this is a photograph of four diverse young people (three women and one man) smiling. Overlaid on the bottom of the photo is the text 'ATTENTION CLASS OF 2021!' in large white letters. Below the photo, on a light blue background, is the text: 'at Prince George High School & Rowanty Technical Center NOW ACCEPTING APPLICATIONS DEADLINE TO APPLY - FRIDAY, MAY 7, 2021'.

It's Prince George Rotary Scholarship Season! Are you or is a member of your family college or trade school bound? See the 2021 Scholarship Application [HERE](#).

The Four Way Test
