Turn out and strut your bowling move

PGPD Officers Sam Santilli and Lady Sansa presented at the Prince George Rotary

By Carol Dois Woodward on Saturday, September 14, 2019

Prince George Police Officer Lady Sansa, the PGPD's Therapy Dog, charmed the Prince George Rotarians on September 11th. She was accompanied by her owner, Officer Samantha "Sam" Santilli. Officer Sam had spoken to the club on previous occasions accompanied by her first partner, Officer Coal, her black German Shepherd. Coal is now comfortably retired in the Santilli household, enjoying lounging and napping while Officers Sam and Sansa are at work. Lady Sansa reunites with her father, Coal, at the end of shift. Though owned by Officer Sam, Sansa is a sworn police officer and is a certified therapy dog. She, Chase, and Valor are all important resources for the Police Department, though each has particular training and duties. Sansa's training entails being gentle and reassuring to young and old alike. These qualities are especially useful in tense situations, especially involving children and the elderly. She and Officer Sam passed stringent certification tests. To support the efforts of the Prince George Police Department Canine Program, be sure to make the check out to the Canine Program. This will help provide food, safety equipment, and other supplies for these important members of the Police Department. If you would like to see their presentation at the club click [HERE](#).

Shel Douglas off to Ghana

By Carol Dois Woodward on Sunday, September 15, 2019

Shel is again off to Ghana to assist in the implementation of a series of grants that includes drilling bore hole wells, constructing microflush toilets, building & dedicating new simple schools, filling school libraries with books, and monitoring micro lending programs to help Ghanains create their own businesses. Shel was assisted in her journey by Jan Rowley, our Rotary Foundation Chair, who cheerfully drove Shel to Dulles on the day of her departure. We will soon again be receiving pics from Shel from her adventures as a grant master in Ghana. Other 7600 Rotarians are on this trip as well, including Assistant Governor Sue Carter of the Farmville Club and Colleen Bonadonna of the New Kent Club who is the district's Polio Plus Chair.

Happy Birthday and Happy Vacation to Donna Street

By Carol Dois Woodward on Tuesday, September 17, 2019

Donna Street, one of our Past Presidents and one of the bedrock members of our club. She recently celebrated a birthday and vacationed. She sent this picture to express how relaxed she was. Because she thought of us, our plea to Dana, Club Secretary, that Donna receive a makeup. She is looking for a Rotary sign to have her picture taken with, but the hunt continues. Enjoy, Donna.

Club Offsite Tour of Amazon Center

By Carol Dois Woodward on Sunday, September 8, 2019

President-Elect Lillian Boyd will want to hear from Rotarians at the meeting on Wednesday, September 11th as to their interest in a club tour of the Amazon Center in Enon/Chester. The most likely date will be on the 5th Wednesday of October. There is no speaker scheduled for that day so it will be a great day to do a tour of Amazon. If you cannot be at the meeting on the 11th, please contact Lillian by September 25th so she knows what kind of number she needs to plan for. Wouldn't it be great if they gave us something :))))

World Polio Day in Prince George County

By Carol Dois Woodward on Monday, September 2, 2019

October 24th is Rotary's World Polio Day across the world. There are special plans for a Distict Wide Celebration at the Viginia Museum of Histoyp & Cultue in Richmond on that date. Prince Geoge Rotary is having its own World Polio Event on October 16 so that members can join in on the fun in Richmond on the 24th

On October 16 our club will have have its own celebration at Luca Italian Restaurant from 6 - 8 pm, but all day Luca will be donating 10% of all food sales to our event which will be forwarded to The Rotary Foundation to fight Polio. The 10% donation from Luca will be on all food sales ... all day, eat in, or take out. So spread the word to your family, friends, neighbors, and colleagues to please eat at Luca that day. It will help a world class project to prevent Polio from attacking any more children. More information will follow., but please put a big star on that date in your calendar.
