### Instructional, not Industrial, Design

By Carol Dois Woodward on Thursday, January 19, 2023

Charles "Chuck" Faison was our club speaker on January 18th. Chuck related that Instructional Design is a growing profession, attracting practitioners from many walks of life and professions. All businesses, governmental agencies, nonprofit organizations, and community efforts need to be able to communicate quickly and precisely to capture the attention of their modern target audiences. He noted that the average attention span of an adult is approximately 8 seconds. Therefore, it is imperative to be knowledgeable about the attributes of the target audience and what tools, or approaches will likely grab their immediate attention. He presented a slide describing some of the modern tools used in instructional design. Thanks to Jan Rowley for this photo showing Chuck speaking to the club. He is seated and using his computer because our regular meetings are hybrid meetings with many of the members joining us by Zoom. Three of the Zoom attendees were our Kumasi, Ghana Rotarians, who frequently log into our meetings. In the photo above, from left, is Club President Cynthia Mitchell, Chuck, and Peg Whipple who had invited Chuck to speak. Also featured in the photo is member Steve Woith. Both Peg and Steve are past presidents of the club.

Chuck has a varied professional background in both the Virginia Air National Guard and the Virginia Army National Guard which included a deployment in Iraq. Thereafter, he was employed in the nonprofit sector, earning his Master's degree in Instructional Design from Walden University in 2014. He currently is a Training Specialist with Virginia Community Development Social Enterprises, a nonprofit Community Development Financial institution, a philanthropic investment advisory firm.

## What is going on?

By Carol Dois Woodward on Thursday, January 19, 2023

Be a Hunger Hero!

Club members are invited to the FEEDMORE - Meals on Wheels open house, Thursday, January 26th at Colonial Subaru 11:30am-1:00pm to find out how. -- Dana Rieves

And speaking of Dana ... she was recently recognized for her volunteerism with a beautiful award from the Hopewell Local Emergency Preparedness Committee (LEPC). She may have been on the Hopewell LEPC for as much as 30 years. Ask her about it? She is also a member of the Prince George LEPC as

well as the Prince George Community Emergency Response Team (CERT). To learn more about LEPCs click [HERE](#).

Carol Woodward was reelected as Vice-Chair of the Prince George Board of Zoning Appeals (BZA). She had recently been reappointed to the BZA by the Circuit Court of the 6th Judicial Circuit upon the recommendation of the Board of Supervisors.

President-Elect, Mark Creech, attended the Pre PETS on Saturday the 21st which was held in Richmond at The Place. Later this spring he will be attending PETS as a requirement prior to assuming his presidency of the club in July. What does PETS stand for? Presidents Elect Training Seminar. That's what. Mark will be serving his second non-consecutive term as president of the club. This is a picture of Mark having won the big pot drawing that day. It was prior to 2019 when we were still meeting at Rosa's Italian Restaurant in Hopewell. Remember those days?

As it turns out there is not a global shortage of Major Grey's Chutney. Dana Rieves researched and learned that Smucker's decided to stop production of Crosse & Blackwell's Major Grey's Chutney due to lack of demand. But Jan Rowley, in her quest to find a replacement chutney for Carol, gifted her with Stonewall Kitchen Major Grey's Chutney. According to Carol, it is a very close replacement for Crosse & Blackwell's. It is slightly sweeter, but has delicious chunks of mango and raisins. Life will go on for Carol. She has very nearly eaten the entire jar and has ordered more from Amazon. Jan is a lifesaver as Carol can get quite grouchy without her chutney.

## [The James House](#)

### Can you help?

We are in need of small zip up bags for our teen hygiene kits.

Call us at 804-458-2704 or email: [Bethany@thejameshouse.org](mailto:Bethany@thejameshouse.org) for details

In 2022 we provided over 500 teenagers hygiene kits! So far this year we have provided over 100 kits. We need some help, we have received donations to fill the bags, but don't have enough bags. Can you help? Check out our Amazon wishlist: <https://a.co/i8ez4I8>

### [Prince George County Animal Shelter](#)

**SATURDAY ADOPTIONS**

*January 28th  
10am - 1pm*

*50% off  
dog  
adoptions*

Don't forget to stop by PGAS NEXT SATURDAY!  
The shelter will be open from 10am-1pm on January 28th for adoptions.  
Our half off dog adoption special is ongoing for the month of January.  
The \$50 dog adoption fee covers:  
Spay/neuter surgery  
Age appropriate vaccinations  
Heartworm test  
Initial deworming  
Flea/tick/heartworm preventative while in our care  
Help us empty our dog runs by finding our amazing pups their forever homes!

## Public Hearing on Change of two voting locations

By Carol Dois Woodward on Tuesday, January 17, 2023

Donald Hunter noted in the Rotary Open Mic on January 11th, that there would be a public hearing on February 28th about the possible relocation of the Walton School voting place and the Faith Baptist voting place. The voting places would be changed from Walton School to Sacred Heart Catholic Church off 460 and the Faith Baptist voting place would be changed to the new elementary school on Middle Road. If you are interested in these possible changes, please consider attending the Public Hearing to be held by the Board of Supervisors on February 28th. For more information visit the [County](#) website.

By the way, Donald was elected to serve as the Chair of the Board of Supervisors at its last meeting. Congratulations to Donald.

---

## COVID update from Steve Herring, VDH Crater Division

By Carol Dois Woodward on Tuesday, January 10, 2023

Donald Hunter recently received the following flyers regarding the availability of home COVID Tests from the Crater Health District. Steven Herring, the Director of the Crater Health District was our club speaker on December 7, 2022. Steven sent these flyers to Donald and other to spread the word about these import health tools. These flyers are available in both English and Spanish. Please share these flyers in your communities.

## Grant Management Seminars

By Carol Dois Woodward on Tuesday, January 3, 2023

The 2023 Grant Management Seminars have been scheduled for 2023. Any club which wishes to apply for or partner in a Rotary grant must have at least one member attend one of the GMS sessions. Again, this year, the District 7600 GMS sessions are virtual and free. A GMS takes only about 2 hours of a person's time and there is so much to learn, especially if one is new or newer to Rotary or to Rotary grants.

Currently, our club is a partner in a multi-club district grant with Hopewell, Colonial Heights, Petersburg, and Petersburg Breakfast Rotary Clubs to install permeable, erosion mitigating parking materials at the Rotary Park on Pocahontas Island and at the Appomattox River Regional Park (ARRP). The involvement of Rotary with ARRP began in 2011 with a district grant the club was awarded to install the first public canoe/kayak launch on the Appomattox River. Since then, in partnership with other clubs, we have installed a comfort stations, landscaping, signage, and other amenities at the park.

# Grant Management Seminar 2023

## 1st Session

**Saturday, February 4th**

**9-11 a.m.**

## 2nd Session

**Monday, March 20**

**6-8 pm**

Attendance at a GMS is required for a club to qualify to apply for or partner in a Rotary grant. The virtual zoom sessions are free and anyone may register to attend both sessions. Simply register on the dacdb calendar

So, while we still have work to do on the 2022 district grant, we need to be assessing what project for which we might apply for a district grant in 2023. If you would like to learn more about Rotary grants consider attending at least one GMS session. If you would like to attend, but you don't have access to dacdb to register, contact Dana Rieves or Carol Woodward,

## The Four Way Test

By Carol Dois Woodward on Monday, June 8, 2020
