### PETS Conference Creating Toiletry Kits for Community Support

By Brian K. Manning on Monday, January 29, 2024

This year's service project for the Presidents Elect is creating toiletry kits for those in need.

This year's President-Elect Training conference is being held starting March 1 in Chantilly, VA at the Westfield Marriott. All of District 7600's clubs are encouraged to donate hotel or travel-size toiletries for creating hygiene kits to be distributed to those in need. This includes distribution to unhoused people and those in transition.

The strategy is for the club's President-Elect, Brian Manning, to collect donations from the club members' travel-sized shampoo, conditioner, body wash or soap, lotion, sturdy wide-tooth combs, toothbrushes and toothpaste and bring them to the conference. Volunteers at the conference will assemble hygiene kits, including a handwritten note of encouragement. The District Governor Elect, Joy Kline, will see to the distribution to the communities and among those in need in the different clubs' areas.

Please bring your contribution for the district project to the February club meetings or contact Brian Manning at 910-309-1784 to arrange pick-up of your donations. Donations may also be delivered to the Hopewell Library, 209 East Cawson Street.
