SEPTEMBER THEME

Services of the Appomattox Regional Library System.

Tuesday, September 3, 2024

Our own Club President, Brian Manning, will be our guest speaker tomorrow. Brian, Director of the Appomattox Regional Library System (ARLS) since 2016, will be presenting his perspectives on the traditional and emerging roles of a modern library.

Originally from West Virginia, via North Carolina, Brian and his wife Donna chose to live in Prince George County as it is more centrally located to serve the eight branches of the ARLS.

His academic credentials include:

- Bachelors in Business Administration -Accounting
- Juris Doctor from Washington & Lee University
- Masters in Library Science from North Carolina Central University
- Masters in Public Administration from UNC- Chapel Hill

He practiced law until 2006 and has been working in public libraries since then.

While he quips that he is "over educated", Brian does believe that his educational and professional experience provides him with a different perspective and ease in adapting to the ever-changing expectations of libraries.

Club Foundation Supports Summer Reading

By Brian K. Manning on Tuesday, September 3, 2024

The Prince George Rotary Club Foundation's grant funded three library programs.

The Appomattox Regional Library System and the library's young patrons benefited from a \$1,000 grant from the Prince George Rotary Club Foundation. The foundation's support sponsored three programs during the library's Summer Reading Program. The total attendance for the three programs was 429. All the promotional material for each of the programs listed the club as a sponsor and library staff thanked the Prince George Rotary for helping with the Summer Reading Program.

The club's foundation sponsored the July 16 "Super Mario Party" with Mario-themed crafts, snacks and a showing of the Super Mario Bros. movie. On July 23, the grant paid for "Reptile Trek" with the Metro Richmond Zoo bringing some of its animals to the Prince George Library and discussing snakes, lizards, turtles, and other reptiles, highlighting some of the snakes native to Virginia. Finally, more reptiles visited Prince George on August 6 when Rama, the owner of Skoolz of Fish in Mechanicsville, brought several of his "friends". Children and adults could get up close and personal with the visiting animals.

The library wishes to express its sincere gratitude for the ongoing support it receives from the club.

FeedMore Meals on Wheels Schedule for July

By Donna D. Street on Wednesday, August 21, 2024

If you haven't joined in the fun yet of the Meals on Wheels Deliveries, it requires only 3-4 hours a month. You have the pleasure of another Rotarian's company, and you have the pleasure of serving our community.

There is an orientation video which we will link to from time to time, and instructions on how to use the FeedMore app which navigates the route for the deliverers.

Carol and Mable delivered last week and had a great time doing it. They got to the bottom of the reasons for the high food prices and solved a few other current issues.

Is it the TRUTH?
Is it FAIR to all concerned?
Will it build GOODWILL and BETTER FRIENDSHIPS?
