**Last Week's Highlights**

- Last week our speaker was Coleen Bonadonna from District Rotary Polio+ discussing the current status of our US and worldwide Polio eradication campaign. Coleen explained that there are still 2 kinds of vaccinations, oral which is a cheap and easy way used by most of the world's mass programs and injections which must be administered by trained professionals. The oral vaccine uses a weakened virus that can mutate to a virulent form when excreted. The US uses injections. The wild Polio virus is spread through waste water that contaminates unvaccinated people that come into contact with the virulent strain through poor sanitation. 19 cases have been discovered this year, mostly in Afghanistan and Pakistan but also Malawi and Madagascar. The new case in NY was caused by the wild water born virus through poor hygiene, to an unvaccinated Hasidic Jewish young man since many in their community are unvaccinated. See Coleen's picture below flanked by Pres. Susan Brack and sponsor Randy Cash.

- A new Polio Plus Society is available to those who commit to contribute \$100 or more per year to Polio Plus until the world has been declared free of the Wild Polio Virus. In addition to existing member Randy Cash, Ray Thomas, Lynn & Keith Ellis and Jimmie Crowder agreed to join and were given certificates and pins. See pics at right.
- Lunch Buddies still has openings if you're interested to eat with kids or read.
- School supplies for the grade schools are needed.
