Dear Warwick Rotary Club: *Friends*

During this season of giving, the gift of a meal is the most precious gift you can give.

Through your recent contribution of **\$2,525.00, given on or before December 31, 2023**, you understood this and provided hope to children, families, veterans, and seniors who may not have otherwise been able to enjoy this holiday season. They may have been concerned about keeping the heat on. They may have been wondering how they would be able to fill their gas tanks to get to work. They may have skipped much needed prescription medicines. When you gave your gift to Virginia Peninsula Foodbank, you showed you care about the less fortunate in our community.

Thank you for being a partner in providing nourishment and hope to these children, families, veterans, and seniors across the greater Peninsula.

Warmly,

Karen L. Joyner

Dear Warwick Rotary Foundation,

Your donation helps girls build a brighter future through Girl Scouts. Thank you for believing in them!

Girl Scouts of the Colonial Coast couldn't deliver our current level of quality services without your support. Girls who participate in Girl Scout programs do better in school. Research shows that participating in Girl Scouting contributes to girls' grades and behavioral engagement.

They need you to continue your support, so they can continue to succeed! Girl Scouts are more likely to earn better grades, have higher academic aspirations, have higher future expectations, and desire careers in STEM fields than their non-Girl Scout peers. Girls who live in promising communities have even stronger outcomes because of the added caring adults in their lives encourage them to pursue their personal and academic goals.

At Girl Scouts, girls grow their academic success, develop new talents, and explore their interests. By promoting skills like critical thinking, problem solving, and collaboration, your donation sets girls up for powerful futures.

Thank you for making the future a priority today!

Sincerely,

Sally Swanson
