## **LEONA'S ROTARY MOMENT - July 10**

As we start our new year with Rotary, I thought it might be appropriate to remind ourselves why we joined Rotary.

The Object of Rotary is to encourage and foster the idea of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity for service.

**Second:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

**Third:** The application of the idea of service in each Rotarian's personal, business, and community life.

**Fourth:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the idea of Service.

This past year, our club members have certainly lived up to these objectives, in particular of service to others. The Rotary Club of The Historic Triangle accumulated more than 1,000 hours of service. This should be applauded, and we all should make a commitment to exceed this number in the coming year.

Wife: "Our new neighbor always kisses his wife when he leaves for work. Why don't you do that?" Husband: "How can I? I don't even know her."
