1. Is it the Truth?
2. Is it Fair to all concerned?
3. Will it build Goodwill and Better Friendships?
4. Will it be Beneficial to all concerned?

Jonathan reviewed the rigorous qualification process for people to acquire a Habitat for Humanity home. Pres Liz presented them with a plaque.

We are very pleased to induct Maj. Albert Cancia, Corps Officer/Pastor at The Salvation Army Williamsburg VA, as our newest member. Pictured after the presentation of his membership certificate and Rotary pin are, from left, his sponsor Mike Jallo, Albert and Tom Bozek, Club President-Elect.

ROTARY NEWS

Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, is the selection of Nominating Committee for President to become **Rotary International's president for 2025-26.**

He will officially become the nominee on 15 September if no other candidates challenge him.

De Camargo plans to boost Rotary's public image by working from the top down.

"Rotary today has strong competition for members and funds," he says. "We need to rejuvenate the brand, especially in some zones. We should utilize post-pandemic meeting tools ... to allow the president to address Rotarians all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let's emphasize our greatest asset: 1.4 million volunteers."

He also hopes to improve Rotary's process for appointments and governance.

"Rotary should adopt a more transparent system to appoint volunteers for positions, with clear criteria and data-based evaluation of results," he says.

He was a Youth Exchange participant to Minnesota, USA, in 1974-75, which inspired a lifelong commitment to the program. A Rotarian since 1980, de Camargo served as his club's Youth Exchange Officer in 1981, at age 24. He has served Rotary as director, trustee, RI learning facilitator, committee member and chair, and task force member. De Camargo and his wife, Denise, are Major Donors and Benefactors of The Rotary Foundation.
