

## Bottles Wanted!

### Can We Match This Picture?

The Wheelbarrow of Liquor is a surefire money maker for Casino Night. We've raised a lot of money on these at past events. Now it's time to get it together for our fund raising event. The picture above looks great, but to date we only have three bottles of liquor (vodka, rum and bourbon. Can y'all guess who donated the rum?).

One bottle per member and we will present a wheelbarrow that will generate some real interest at our event. So, please get shopping at the VA ABC.

If you know a garden center store that might be willing to contribute to our event we also need a wheelbarrow.

Join D.C. United and Rotary for the annual End Polio Now Night! \$5 will be donated back for each ticket sold to Rotary's PolioPlus Program

Price: \$45 (Regular - \$50-\$55)

### This Week's Speaker, Molly Wilson

**March Setup- Take Down Crew**  
**Lori Hayes, Captain**  
**Bob Sorkhe and Rebecca Purdy**  
Come a few minutes early to help set up the room.

### **March Is Water and Sanitation Month**

Clean water is a basic human right that many are often denied. There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives.

In 2015, the United Nations introduced their new Sustainable Development Goals (SDGs) to end poverty and promote prosperity while protecting the environment and addressing climate change. Sustainable Development Goal (SDG) 6 on water and sanitation encourages us to address universal access to drinking water and sanitation along with improved water management to protect ecosystems and build resiliency.

Rotary members are committed to reaching the water and sanitation SDG through projects like building wells, installing rainwater harvesting systems, and teaching community members how to maintain new infrastructure.

During March, Rotary Water and Sanitation Month, we're celebrating our commitment to create healthier
