Happy Thanksgiving!

November 14 Meeting

District Governor Glenn Yarborough made his official visit to our club and outlined his goals for District 7610 and his evaluation of our club. He emphasized the need to publicize Rotary service projects. We mustn't hide our light under a bushel if we hope to attract new members. He encouraged us to work on getting former members to rejoin the club.

He praised our club for having 50% of our club belonging to the Paul Harris Society. He challenged us to reach 100% PHS.

NOW OFFERING: DISTRICT TRAINING OPPORTUNITIES!

What is the citizen of the Year Award?

DG Glenn mentioned this in his speech last week. The District 7610 **Citizen of the Year Award** is given in recognition of a non-Rotarian who exemplifies "Service Above Self" in his/her personal and professional life. The Award recognizes an individual in the District who, although not a Rotarian, has contributed significantly to improving the quality of life in his/her community, whether state, country or world. Rotarians are excluded from the award and nominees should display a broad range of community support.

Give online at rotary.org/donate on #GivingTuesday (November 27th) and receive matching points!
#GivingTuesday is a day dedicated to giving and celebrating generosity. Last year, District 7610 raised the most money (\$20,000–80 donors) WORLD-WIDE for TRF on Giving Tuesday. This year, let's give to make District 7610 the most giving district on Giving Tuesday.
