

**This Week: Club Assembly and
Classification Talk by Bob Sorkhe**

**FEBRUARY IS ROTARY
PEACE & CONFLICT
PREVENTION & RESOLUTION
MONTH**

Conflict and violence displaced more than 68 million people in the past year, and half of those are children. We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

- ✚ Fostering Peace and Understanding led to Youth Exchange Programs.
- ✚ It led to our Rotary Peace Fellowships- Over the past decade 1000 professionals have been selected and trained in Rotary's Peace Centers in Universities around the world. They are now working for peace in over 100 countries.
- ✚ Through our service projects, peace fellowships, and scholarships, our members are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources.
- ✚ We help leaders learn how to prevent and mediate conflict at its source.
- ✚ We help protect domestic violence survivors and their families.
