DC DIVAS - the only women's tackle football team in the DMV!

A wonderful time to be had by all in attendance. Great presentation by DC Divas, Lois Cook! For the last two decades, the D.C. Divas have had an overwhelmingly positive effect on everyone who has played for or supported the team. Their mission is to continue to level the playing field for girls and women in sports. The organization teaches women life lessons through sport while improving their physical and mental health and provides a powerful positive example to the next generation of young women and girls. They are committed to grow, give back, and support our community with their time, talent, and organizational programs.
