Bull Run Library Makerspace Program

June 7, 2023 - Our speaker today was Delwyn Elizabeth, the Maker Librarian for the Bull Run Library Makerspace Program. Participation in the many classes available has exceeded library expectations as to offerings and diversity of participants. Many people have developed lasting friendships there.

Makerspace offers evening classes on many types of machinery, including Glowforce Laser Cutter, Long Arm, Serger, Rigid Heddle Loom, Embroidery, Photo Box, 3D Printing, and a very expensive software, Adobe Creative Suite. Small business owners use these machines the most. The space may be reserved for daily use. For more information, please send an email to Libbullrunmakerspace@pwcgov.org or call 703-792-4548.

Thank You Home Depot Team and Creekside Veterans Club

Our Gainesville-Haymarket Rotary Club President-Elect Rich Luttrell would like to thank Ganesh Raju's awesome local Home Depot Team and the Creekside Veterans Club for their great help in getting the holes drilled and sleeves inserted in preparation for the flags to be inserted this coming Friday, June 9th.
