PACE WEST School Supplies

The GH Rotary Club is collecting school supplies for PACE West School and children in need for the surrounding area.

[CLICK HERE](#) for the list.

Please consider purchasing items from the list below and bringing them to a regular meeting.

Share this list with your family, friends, neighbors and co-workers. If everyone just buys a few items more than what they buy for their own children, other children will start the

school year equipped to learn.

Finally, if you or someone you know would like to make a monetary donation toward the purchases of items, it will be gladly accepted.

The need is great. Thank you in advance for your effort!

PACE West School Update

By Peter Vu on Wednesday, July 27, 2022

Today we had the pleasure of having Maria McDonald, Principal from the PACE West school, and Dr. Tyrone Matthewson, school psychologist from the PACE West school at our Gainesville-Haymarket Rotary club's weekly meeting to give us an update on the school and to provide a list of school supplies that are needed to ensure the school and the students have the proper resources for the upcoming school year. For many years our Rotary club has been supporting the PACE West school with school supplies, PROWL Pantry, October Festival, Thanksgiving Baskets, Christmas Baskets, Teacher Appreciation Week, Graduation Celebration, and Aide to one of the teachers recently. We love to support the PACE West school because it provides social and emotional learning opportunities for students in the Prince William County.
