PT Solutions Looks at Patients as People

By Katherine Mercurio Gotthardt on Thursday, September 29, 2022

Gainesville-Haymarket Rotary was pleased to hear from Caitlin Lucas and Tyler Fadul of [PT Solutions](#) at the September 28 morning meeting. Caitlin is a physical therapist as well as the director of the clinic located on Heritage Village Plaza in Gainesville. Tyler is a physical therapist at the same location. Both are committed to patients as people, asking the important questions, "How can we make you better?" and "How can we help with your aches and pains?" Their focus on developing personal relationships and providing a wide range of therapies sets them apart. We appreciate them taking the time to discuss

their approach and how they are helping our community stay healthy.

Interact/Rotary Social Event

By Peter Vu on Sunday, September 25, 2022

Members of the Wakefield School Interact club and their parents, members of the Battlefield High School Interact club and their parents, and members of the Gainesville-Haymarket Rotary club met at the James S. Long Regional

Park located at 4603 James Madison Hwy in Haymarket on Saturday, September 24th from 3 PM to 5 PM for our first Interact/Rotary joint social meeting. The Wakefield School Interact club and the Battlefield High School Interact club are sponsored by the Gainesville-Haymarket Rotary club.

The event began with the Gainesville-Haymarket Rotary Club's President, Don McMillan, giving thanks to the students for participating in Interact this school year and to the parents for supporting the students. Don then provided an overview of Rotary International to the students and their parents.

Next, the Gainesville-Haymarket Rotary Club's Community Service Chair Donna Flory talked about the upcoming community service opportunities for Rotarians and Interactors. Don then introduced everyone to the new Gainesville-Haymarket Rotary Club's Youth Services Chair, Ben Sanders, who could not be there due to a family emergency.

Sima Button, a Rotarian adviser for the Wakefield School Interact club, introduced Katie Hudson, who is the Interact service committee chair for the Wakefield School Interact club. Katie Hudson gave a quick overview of the service projects the Wakefield School Interactors are working on.

Peter Vu, a Rotarian adviser for the Battlefield High School Interact club, introduced Katie Vu who is the Interact president for the Battlefield High School Interact club. Katie Vu gave a quick overview of the service projects the Battlefield High School Interactors are working on.

Finally, Don introduced the Gainesville-Haymarket Rotary Club's Membership Chair, Christopher Robinson, to discuss our intended community mental health objectives and membership possibilities.

What a great opportunity for Rotarians, interactors, and parents to socialize and exchange ideas. Food and drinks were provided by the Gainesville-Haymarket Rotary club.
