GH Rotary Supports Crossroads-Connection - Weekend Food Program for Food Insecure Children

By Donna D. Flory

Crossroads-Connection is a Christian community service organization that provides a Weekend Food Program for food insecure children in the public schools of Western Prince William County.

GH Rotary is a sponsor of 5 children for the school year! Many club members participated in a pre-packing event and a packing event and had a wonderful time. The number of children in need of supplemental weekend food has increased by 300

more than the number planned for by Crossroads. They need more help than ever.

I have provided two Sign-up Genius links below. Please consider signing up as an individual or as a family. Many dates and different opportunities are available. Let's work together to ensure that the children in our community have nourishment on the weekends. Please share these links with your friends and neighbors.
