PACE WEST School Supplies

The GH Rotary Club is collecting school supplies for PACE West School and children in need for the surrounding area.

[CLICK HERE](#) for the list.

Please consider purchasing items from the list below and bringing them to a regular meeting.

Share this list with your family, friends, neighbors and co-workers. If everyone just buys a few items more than what they buy for their own children, other children will start the school year equipped to learn.

Finally, if you or someone you know would like to make a monetary donation toward the purchases of items, it will be gladly accepted.

The need is great. Thank you in advance for your effort!

Service Project Chair
