Let the Rotary 4-way Test apply
to all that we think, say, and do.

News Items Today

RI can move with lightning speed. Just days after our **international president-elect** resigned, we have a new one. He is Francesco Arezo, of Italy. PE Francesco is an orthodontist and olive farmer with extensive experience in Rotary.

Last night, Ken and President Priscilla attended a lovely Changing of the Guard of the **Rockville Rotary Club**. Their incoming president, Ukpeme Ukon, gave a very nice acceptance speech.

Canada is apparently making it harder for people from some countries to obtain visas, and that could decrease attendance at the **RI Convention**. Our member, Adelaide, has not yet received her visa.

Our club will meet on Tuesday at La Villa. The speaker: Assistant Governor Hande, will tell us about the recent Rotary peace conference in Turkey. What subject could be more important right now than peace?
