## President's Message October 2022

By Robert Sartwell on Saturday, October 1, 2022

### President's Message

**October 1, 2022**

**October** – Community and Economic Development

Hello Fellow Rotarians.

Well we made it through the first quarter of the Rotary Year. Hooray!!

We have some exciting things coming up this month.

5 October 6PM Zoom – Business Meeting

12 October 6PM Green Turtle – Club Meeting

22 October 3PM – Chesapeake HS Trunk or Treat

23 October 9AM – Renaissance Festival

26 October 6PM Camp Whippoorwill– Club Meeting

27 October 5:30 Founders – Happy Hour (Bring a Young Friend)

30 October – Environmental Clean Up

I highlighted the 26th meeting because that will be a field trip. We can discuss ride shares and other logistics at the 12th meeting. We will discuss details at the 5<sup>th</sup> board meeting.

A pretty full schedule, as you can see. But, let's not forget that Rotary is a membership organization and our product is service. We need to be inviting folks to come to our meetings and events. We should aim for younger, but anyone that would be a good member is a place to start. We need to build our membership to remain viable and to do all of the things we want to do. More on this later.

Planning continues for our 75<sup>th</sup> Anniversary party. I will send a list of possible invitees out this week. I have the address for most on the list, but I need some help filling out the rest. We have some food selections to make and thank you bags items to finalize. I expect this to be one of the primary topics on the 5<sup>th</sup>. I want to make sure we get the plan finalized with enough time to make this a great event. We had a good field trip to Drinking at the Well. They are doing great work helping to lift women in the Curtis Bay area. They have day care, life and job training, and other programs to help women who have suffered trauma (abuse, drugs, life) transition to some sort of normalcy. As always, institutions like this rely on donations and volunteers. I am reaching out to the Baltimore City Clubs and Glen Burnie to see if there are things we can do. There is always more need than resources and we should do what we can where we can. For us near term the Well needs cloths and other household type items to provide to folks in need. If you have items you'd like to donate let me know. I'll arrange to come get them and drop them off.

We do good things. Even for being a small club. My thanks to you all for making this possible.

Final Thought:

A life spent making mistakes is not only more honorable but more useful than a life spent in doing nothing." George Bernard Shaw, Nobel Prize and Oscar-winning Irish playwright (1856-1950)

**Family Fun Day  
September 17, 2022**

The Pasadena YMCA and the Lakeshore-Severna Park Rotary Club organized our Family Fun Day on Saturday September 17th, held at the Y. Many thanks to our sponsors and all who volunteered and participated in the event. The pony rides, the Riviera Beach VFD fire Truck and the Face Painting was a big hit. The children had a wonderful time bouncing in the Moonbounce, which was sponsored by Stallings Funeral Home.
