## Note From Our Outbound Exchange Student

Cliff Barr received an update from Madeline. Her french is improving and she was able to visit a bunch of sites. She got to go on a school trip to learn how to wind surf which was super fun. Schools been going well. The classes are hard/frustrating because of the language difference but the people are nice for the most part and my teachers are good. She has been to about 4 Rotary meetings so far and the club is very nice. Her first host family is also good and they are very nice also. She has been on a lot of weekend adventures to see the marvelous castles of Belgium! Below is a photo from her Rotary district trip to a World War II fort in Vise.

## UHS Interact Students

Ben Willens and UHS Interact students participated in building beds at Sleep

Area Governor

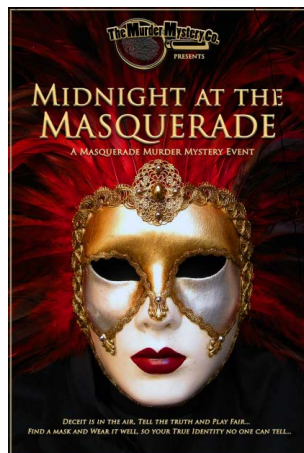

in Heavenly Peace. While they were there, Sleep in Heavenly Peace completed their 1,000th bed.
