WHAT IS THE BEST FITNESS PROGRAM FOR ROTARIANS?

better.

Dover Downtown Rotary hosted the founder of Forever Fit Foundation (foreverfitfoundation.com) Nancy "Nonni" Hawkins Rigg. The presentation centered on the benefits of all types of fitness, and why certain fitness regimens are more beneficial for Rotarians striving to be more active. She offered those present a free 30-minute consult on how to stretch

IRON FURNACE FIFTY 2024

(August 24, 2024) The 14th Annual Iron Furnace Fifty fun bicycle ride was held on Saturday, August 24th, 2024. Over 300 people registered for the ride this year. This is a joint project between the Rotary Club of Snow Hill (Md.) and the Furnace Town Living Heritage Museum that attracts hundreds of bicyclists from around the region each year.

Special thanks go out to the Junior R.O.T.C. of Snow Hill High School who assisted with directing traffic in the parking lot and then helped set up the pavilion for lunch. Also, the Snow Hill Youth Football Program, the Snow Hill High School Interact Club co-advisors, and Cub Scout Pack 3155 for supporting rest stop duties.

The Iron Furnace Fifty has 50K, 50 Mile, and 100K routes that go through the beautiful rural Lower Eastern Shore of Maryland. Dozens of Rotary and Furnace Town volunteers worked the rest stops along the road, set up the grounds for the picnic-style lunch, and served as ambassadors for our local community. Not only is the Iron Furnace Fifty a fun ride for the whole family, but all proceeds benefit Furnace Town Historic Site and the Snow Hill Rotary Club. It's a great way to get out in nature, breathe lots of fresh air, and have fun while supporting two local nonprofit organizations.
