What You Missed ...

By Sara Hickey on Saturday, March 6, 2021

This week, our guests were John Nanni, the District Rise Against Hunger Rotary Ambassador and Megan Davis, Rise Against Hunger regional representative. Megan provided a very interesting history of the project and talked about Rise Against Hunger's four pathways and how they are making changes to continue to feed the hungry with COVID-19 restrictions and complications.

The four pathways to end hunger are:

1. Nourishing Lives - the typical meal packing and distribution efforts around the world like the one our club sponsored in 2018.
2. Responding to Emergencies - providing access to food during natural or man-made disasters and events
3. Empowering Communities - helping communities to transition to a place of resiliency and where food can be produced locally in a reliable way so that packaged meals are no longer needed
4. Growing the Movement - expanding the network of hunger champions through

publicity at events or speaking engagements

For more information, visit their website at RiseAgainstHunger.org or [click here](#) and watch the recording.

** Beginning **NEXT WEEK**, March 10th, we will resume hybrid meetings which means you can meet **in-person** at Mary's house at 160 Spence Drive, North East or remain on Zoom with the same link. Anyone attending in person is asked to notify Sara by Monday so a count can be made for breakfast.

** Congratulations to Peggy for reaching Paul Harris +5 designation

** April 24th will be the North East Library public dedication!! Mark your calendars to attend. Our club will be offered a private tour some time in the near future, date to be determined.

** For the latest COVID vaccine sites and to register for an appointment, visit covidvax.maryland.gov

** Save the Date of **October 16th** for our *Rotary Day of Service*. The District will participate in a meal packaging event with Meals of Hope. More details will be forthcoming.
