### What You Missed ...

IMAGINE  
ROTARY

Last week we welcomed Bruce Leith, Director of Concession Development for the Phillies. He gave us a look behind the scenes at what concessions are available at their ballpark and how they continue to be improved. Now they are rated as one of the best ballparks in the league. Working his way up through the ranks over the last 30 years, from selling tickets to his current position of director of concession development, he has enjoyed being a part of the Phillies organization. He was involved in the design of their ballpark, helping make the fans' experience a great one. He amazed us with statistics of the variety and quantity of food served at games, especially on Dollar Dog days. Now he also works with the Phillies' four minor league teams and their spring training facility in Florida. Attending about 200 games a year, he still enjoys the game. He is a resident of Cecil County, but does move his family to Florida for the spring training season. He continues to be involved with volunteer activities locally, including the Board of Toursim.

*Thanks to Shelly for providing this great recap as the internet was not working for remote viewing that day.*

We had a great time at Unicorn Quest yesterday and raised about \$400 for the club selling snow cones!

### Service Opportunity

The club will be contributing school supplies to augment the VFW Auxiliary's school supply drive. Members voted to give cash/check to Tracy and she will

shop for the supplies. We will be delivering by August 26th, so please have money to Tracy by August 19th. All donations will go to children in need at NE Elementary School.
