## Interact News

Interact will be winding down.

The month of May is jam-packed with AP exams, standardized testing, and Senior finals! Even though our scholar members are focused on studies, Interact Club is planning to end the school year strong with our partnership with Talbot Interfaith Shelter and improving on a volunteer database in a meeting with the executives of this rewarding non-profit organization this month. In addition, members contributed to the Moon Catcher Project in Queen Anne's County that is taking place on May 4th. Interact Club elections for the upcoming school year will take place on May 20th. This will be the final Interact Club meeting for members. Both past and newly-elected officers will meet in June to transition for the next school year and summer leadership workshop plans.

– Minahil Cheema, EHS Interact President
