Julie Kille - Opioid Education and Prevention Coordinator for QACPS Talks About Student Ambassadors

On February 27th, Julie Kille - Opioid Education and Prevention Coordinator for QACPS, spoke to the club about the Drug-Free Student Ambassador Program. There are 23 ambassadors in the county, in grades 6-12 from both public and private schools, and they are busy! They have already logged 754 volunteer hours for the school year, and they are not done yet. Some of the projects these ambassadors are planning and implementing include:

- Living Naturally High clubs
- Raffles for stuffiest for younger children
- Presentations for QAC Goes Purple
- QAC Goes Purple football game at both high schools.
- Mosaic Art Project
- Poster Contest
- A song performed at the QAC Goes Purple event - We are the World

Some upcoming projects for the ambassadors include an escape room, an interactive window at the Queenstown Outlets, and a mural on the long wall by the Nike store.

Thank you, Julie, for coming to talk to our club about these outstanding teens in our community.
